Biography

A proven leader and high-level competitor, I built my lacrosse career on discipline and team-first leadership. At San Clemente High School (2015–2019), I served as captain and earned First Team All-County, First Team All-League, and League MVP honors in 2019, establishing myself as one of the top players in the area.

I continued my career at Chapman University (2019–2023), where I again served as captain and competed at the national level. My collegiate honors include First Team All-Conference, MCLA All-Tournament Team, and Second Team All-American recognition. Competing at this level strengthened my understanding of preparation, communication, and leading under pressure. Following graduation, I transitioned into coaching at JSerra. From 2023–2024, I served as JV Coach and Defensive Coordinator, building defensive systems, developing game plans, and mentoring young athletes in positioning, communication, and lacrosse IQ. In 2025–2026, I stepped into expanded roles as Varsity Goalie Coach and JV Defensive Coordinator, working closely with goalkeepers on technique, film study, and mental resilience while continuing to lead defensive strategy at the JV level.

My coaching philosophy centers on discipline, detail, and accountability. I aim to develop not only strong players but confident leaders who understand the value of preparation, teamwork, and competitive toughness.

Statement

I am seasoned lacrosse player who has earned captain roles and elite honors at both the high school and collegiate levels, including League MVP and All-American recognition. I now invest that experience into coaching at JSerra, serving as Varsity Goalie Coach & JV Defensive Coordinator, developing disciplined and confident players.
