## Biography

I am a 27-year-old former preseason American football player and an aspiring defensive backs coach seeking the opportunity to coach at the collegiate level. My passion for the game, combined with a strong foundation as a player, has fueled my transition into coaching and my commitment to developing student-athletes both on and off the field.

Throughout my coaching career, I have helped produce multiple Power 4 high school athletes and have sent over 20 student-athletes to college to pursue their degrees. My defensive backs have led the county in interceptions for four consecutive years,

I served as the Defensive Coordinator and Defensive Backs Coach for the Class of 2026 Palm Beach County All-Star Team, leading a dominant 28–7 victory over the Treasure Coast All-Stars. Our defense created two defensive touchdowns and set the tone for the game through physicality, communication, and execution.

In 2024, I also held the role of Pass Game Coordinator at Atlantic Community High School, where our program finished ranked 24th nationally. In this role, I was heavily involved in game planning, coverage structure, and defensive adjustments against elite competition.

I take pride in being an energetic teacher, a detailed coach, and a mentor who prioritizes accountability, effort, and academic success. My goal is to continue growing at the collegiate level, where I can develop high-level defensive backs while positively impacting young men’s lives through football and education.
